

REMARKS

In the Office Action, the Examiner allowed claims 1, 3, 4, and 10 and rejected claims 5-7 and 9 under 35 U.S.C. 103 as being obvious. Claims 1, 3-7, 9, and 10 remain in the application.

Applicants again gratefully acknowledge the allowance of claims 1, 3, 4, and 10. Claims 5-7 and 9 have been cancelled. Thus only allowed claims remain in the application.

No amendment made was related to the statutory requirements of patentability unless expressly stated herein. No amendment made was for the purpose of narrowing the scope of any claim, unless Applicant has argued herein that such amendment was made to distinguish over a particular reference or combination of references.

Applicants believe the application is in condition for allowance which action is respectfully solicited. Please contact the below-signed if there are any issues regarding this communication or otherwise concerning the current application.

If Applicant has overlooked any additional fees, or if any overpayment has been made, the Commissioner is hereby authorized to credit or debit Deposit Account 503079, Freescale Semiconductor, Inc.

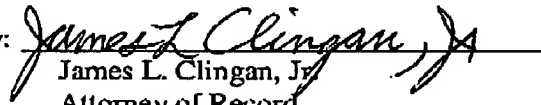

Respectfully submitted,
